

1888 Mills

Reference – Art Barry
Coldwell Banker Commercial

This is a letter of recommendation for Art Barry.

1888 had an industrial building 28 acres in Thomaston, GA which was difficult to sell due to the age of the facility and depressed area market. Art successfully closed the sale at an excellent price. What impressed me was Art's ability to think out of the box for bringing perspective purchasers to the table. He has a broad range of useful contacts and unique ability to close deals.

1888 was very pleased with Art and highly recommends him and Coldwell Banker.

Yours truly,
